NIGHT MARKET

2024 is our
11th season!

ABOUT SOOKE NIGHT MARKET

The **Sooke Night Market** is supported by the Sooke Region Historical Society and was developed to highlight the rich heritage of food producers, artists, artisans, and entrepreneurs in the area. It's a place for residents and visitors to learn about and enjoy the talent and abundance of our region.

MARKET SEASON

The **Sooke Night Market** is outdoors and runs weekly on Thursdays from June 6 to September 5, 5:00pm – 8:00pm for a total of 14 nights.

The market is on the Sooke Region Museum Grounds at 2070 Phillips Rd in Sooke, BC.

MAKE, BAKE, OR GROW

The Sooke Night Market aims to be as inclusive as possible while at the same time avoid being an outlet for mass produced and mass marketed items.

Products sold at the Sooke Night Market must be made, baked, raised, caught, wild harvested or 100% grown by the Approved Vendor.

Each product for sale needs to meet all the applicable laws, regulations, and rules as specified by federal, provincial, and local government agencies, local health authorities, the Sooke Region Museum, and any organic certifying body the vendor belongs to. It is up to the vendor to know and comply with these regulations as well as the provincial and federal sales tax requirements.

VENDOR APPLICATION & APPROVAL

All vendors must complete a full vendor application to be considered for the Market. Submission of an application does not guarantee a space in the Market.

The application can be found on our website: sookeregionmuseum.com/sooke-night-market-2/

Application for an Approved Vendor status will be reviewed by the Night Market organizers. Consideration will be given to factors such as use of local materials\ingredients, mix of vendors at the market, and history of vendor relationship with the market and other vendors.

The vendor shall receive space for their stall in exchange for the set fee. Site location will be the decision of the market manager and will consider site mix. Vendors that purchase a full season (prior to Friday, April 12th, 2024) will get additional site consideration.

Most stalls are 10'x10'. There are a few sites available not suitable for a 10'x10' tent. Vendors are responsible for providing their own tables and tents.

Every vendor (full season or day) must give at least 48 hours' notice (2 days) for market cancellation. The more notice the better. Prior notice to your absence allows for another vendor to be booked for your stall.

Any vendor who cancels less than 48-hours before the start of that market or does not show up to that market, will be expected to pay the cancellation fee before the next market they are attending.

Your first fine would be \$20, your second would be \$40 and the third time you would no longer be welcome to vend at the market for the remainder of the season. Extenuating circumstances will be considered.

Full Season Fee: \$350.00 (includes GST) Full Season Vendor commits and pays for a full season, 14 markets, in advance of the market. (this equals \$25/market). Payment in full due upon acceptance to the market and before Friday, April 12th, 2024.

Day Vendor Fee: \$35 (includes GST) This is for those who do not commit to vending the full season. Daily vendors should be aware that their stall space may be in a different location each time. Nor is there a guarantee that a space will be available on a particular date, unless confirmed in advance with the market organizers. **Market payment is due 2 days before approved vending date.**

VENDOR PRESENTATION

The Sooke Night Market happens rain or shine so please come prepared!

Vendors are expected to create an aesthetically pleasing environment which allows them to vend in all weather. Vendors must keep their space clean and tidy; this includes picking up and removing all litter at the end of market day.

All Vendors are responsible for their own tables, chairs, canopies, weights. Tents and umbrellas must have sufficient weight on the corners or base to keep the cover in place during windy conditions. Do not take rocks or stones from museum grounds.

Confine product display to the dimensions of the designated stall. This includes storage boxes, etc. Please ensure that items are not placed in garden beds or on museum exhibits.

Prominently display the business/farm name on a sign that can be read clearly from at least 20' away. Display proof of certification for organic, transitional and/or food safety handling as applicable.

Ensure that product pricing is displayed in a clear and obvious way. Sell only products that have been approved by the market manager and are of a quality that contributes to the positive reputation of both your business and that of the market. Provide samples for assessment as requested by the Night Market Manager.

All food products and packaging must meet CRD and Provincial health regulations. It is the responsibility of individual vendors to understand and abide by the regulations.

Applications from vendors of high-risk foods must be accompanied with copies of approval from VIHA (Vancouver Island Health Authority)

All food vendors whether high risk or not must submit a copy of their Food Safe certificate and a complete product list with their market vendor application.

Attach ingredient labels to all prepared foods sold for home use and/or display ingredient list for items sold that are for consumption at the market site.

Vendors will be responsible for any special requirements such as takeaway food containers, cutlery, a hand washing station, fire extinguisher, etc. that are specified by the relevant authorities.

VENDOR SET UP/TAKE DOWN & PARKING

Vendors must arrive between 3:00-4:30pm (and not later than 4:30pm).

Upon arrival vendors may unload supplies and then immediately move their vehicle to designated parking areas. Do not begin set up until your vehicle is parked off site. Vehicles are to be completely out of the market area 30 minutes prior to the market start.

Vendors must park vehicles either at the parking lot at SEAPARC or across Phillips Road in the gravel carpark along Sooke Road. No parallel parking along Phillips Rd or in the museum lot as this parking is for customers.

Finish tent set-up and product displays and commence selling to visitors at the 5 pm market start time.

All vendors must stay until the end of the market and refrain from taking down displays and tent prior to the 8 pm closing time. This applies even if you are sold out or having a slow day.

Refrain from bringing cars back into the market area until after all customers have left the grounds AND you have your stall packed up ready for loading back into your car. Cooperation amongst Vendors during vehicle pick up and packing is necessary. Please be kind and courteous. Please do not idle vehicles at any time. All vendors must leave the premise by 9pm.

Please Note: The only exception for vehicles on the Market grounds will be for those with food trucks.

Every Vendor is asked to ensure that their homeowner, business, or other insurance covers them for participating in the market.

Vendors providing personal services that involve physical manipulation of the human body will provide proof of training and certification and are required to have their own insurance to cover this activity.

The Sooke Region Museum may prohibit any person from renting stall space, request removal of a product that falls outside the policies of the market and may require persons to leave the market if they fail to abide by the policies of the market or direction of the Market Manager.

Acknowledge that policies are subject to review and change by the Sooke Night Market Management and that they may from time to time alter and adapt these rules to provide for efficient operation of the market.
