September 23, 2022

Hello Teachers,

After our two-year hiatus, we are excited to announce dates for our 2022/2023 School Tour season!

The Sooke Region Museum provides educational school programs for children from K-Grade 5. If you have students outside this age group, let's talk about ways we can provide a meaningful experience for them.

We look forward to having your class join us at the museum for a School Tour!

Please contact us with any questions and to book your tour.
